

Streamlining your business' electronic collections and payments is possible with STP

Integrate STP into your payment methods and improve your customers' experience, **reduce your operational burden, and receive your collection money in real time**

With STP, allow your customers to pay you via SPEI®, CoDi® and Dimo®. Reconcile and confirm your customers' payments in real time and speed up your purchasing processes.

fint

IDENTIFIED COLLECTION

Reconcile collections in real time using **unique** CLABE accounts per client.

PAYMENTS

100% automate your transfer payments and instantly confirm their status.

CHARGE WITH CoDi REDUCE ERRORS

Use QR codes and push notifications for direct collection to your customers' banking apps.

With our solutions you can carry out operations 24x7 with no amount limit!

Improve your customers' experience by allowing them to **pay from their cell phone** without leaving home, from any banking app.

Get in touch and discover all the benefits you can integrate into your company!
