

# Automate your payroll processes!

Stop depending on schedules and **rest easy** with a system that works

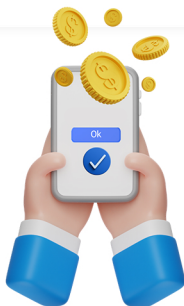

## 24x7

Make automated payments through a **technological integration between your platform or system and STP.**

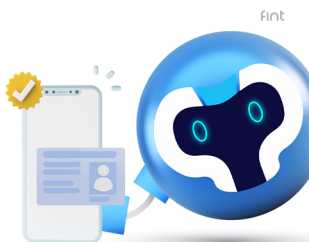

## Reduce manual processes, risk, and operational burden!

With the certainty and peace of mind that payment reconciliation is carried out in real time!

## Reduce Risks

Before dispersing, through the CEP, you can obtain the name or business name, financial institution, and the RFC/CURP of the account you want to confirm.

What are you waiting for? Pay your employees without further worries!
