

Stop waiting 24 to 48 hours to confirm payments via **SPEI** electronic transfer!

Become the most efficient payment gateway!

With STP, allow your customers to pay you via **SPEI®** electronic transfer and **CoDi®**. Reconcile and confirm your customers' payments in real time and accelerate your purchase processes.

With our **CoDi** solution, your merchants can offer their customers payment via QR codes and push notifications directly to their banking apps.

Don't worry about schedules! You can make collections **24/7** and reconcile them immediately, with no limit on amounts and no chargebacks.

You can also automate disbursements to your merchants!
Pay in real time and automatically to any bank account.

Integrate STP into your payment methods and improve your customers' experience, **reduce your operational burden, and receive the money from your collections in real time.**
